In applying for utility service from the City of Huntsville, I understand that I am responsible for ensuring that all water sources are turned off prior to the water meter(s) being unlocked and turned on. I also understand that I am responsible for any damages incurred as a result of a water source being open at the time that the service is started.

I am requesting that the meter(s) be unlocked and turned on / service activated in my name on: _____
(Date)

UTILITY SERVICE

AGREEMENT

**WATER
SEWER
GARBAGE**

1. I agree to pay for available utility services furnished by the City of Huntsville at the requested location, _____, and at the rates established by the City Council of the City of Huntsville.
2. I agree to pay for all utility services delivered by the City to the described location until I give the City notice to discontinue service.
3. I agree that the described location will be used for residential purposes only, and that utility services will be used only by the occupants of the described location.
4. I agree to permit the City to discontinue water, sewer and/or garbage service to the described location or to any other location where I receive City utility services, if I fail to pay for utility services provided to me by the City. Further, I agree that the City may refuse service at a new location if I am delinquent on any utility accounts with the City.
5. I agree to abide by and consider as part of the contract any ordinance, rule and regulation that the City adopts concerning utility service. I agree to keep all plumbing and plumbing fixtures at the described location in repair, and to promptly stop leaks.
6. I grant to the City the right to access the meters whenever necessary. I acknowledge that the meters are the property of the City, and that they maybe turned on or off only as authorized by the City. I agree that City may, in addition to its rights to terminate service to me after notice for nonpayment or service contract violation, disconnect utility service to the described location without any notice to me to mitigate a hazardous condition.
7. If there is a dispute concerning billing, I acknowledge that I have the right to a hearing with the Utility Billing Supervisor, 1212 Avenue M, City Hall, Huntsville, Texas 77340, (936) 291-5430
